

## MAGNA RECEIVES FCA SUPPLIER OF THE YEAR AWARD

- Magna selected as FCA 2018 Interior Supplier of the Year
- Awarded based on supplier scorecard performance in 2018
- Magna has supplied seats for FCA minivans since the automaker invented the segment in the 1980s

AURORA, Ontario, July 18, 2019 – Magna has been recognized by FCA with the 2018 Interior Supplier of the Year Award at the automaker’s recent annual supplier conference and award ceremony.

Magna’s interior content to FCA consists of complete seat sets on vehicles such as the Jeep® Grand Cherokee, Dodge Durango and Chrysler Pacifica. Magna has supplied seats for FCA minivans since the automaker invented the segment in the 1980s, and the partnership continues to help make the Pacifica the segment definer, including the development of Stow ‘n Go seating. In its fourth generation today, the current Stow ‘n Go system is an improved version with redesigned seats for easy entry to the third row and added comfort and side support.

*Magna earned its FCA Supplier of the Year Award based on 2018 performance in quality, delivery, cost, and warranty – and input from FCA senior leadership.*

“FCA is in the midst of transformational changes and these suppliers are helping enable a stronger future for all of us,” said Scott Thiele, Head of Purchasing and Supply Chain, FCA – North America. “It is an honor to recognize their contributions and dedication, as they represent the best in the industry.”

Award recipients were determined based on an evaluation of each company's supplier scorecard performance in 2018 – a rating system that evaluates supplier performance in quality, delivery, cost, and warranty – and input from FCA senior leadership.

“On behalf of Magna and our award-winning seating team, we thank FCA for this recognition and look forward to continuing our partnership,” said Mike Bisson, president of Magna Seating. “We take great pride in providing FCA and their vehicle owners with flexible, comfortable, easily reconfigurable seats to suit their lifestyles.”
