

Uwe Geissinger
Executive Vice President (EVP) und
President von Magna Europa

Uwe Geissinger has been Executive Vice President (EVP) and President of Magna Europe since June 1, 2023. His focus is on operational efficiency topics, especially procurement and performance improvements. Geissinger brings deep business, project management and customer support expertise to this dynamic portfolio.

Geissinger joined Magna in 2012 and has held various leadership positions, he was Senior Vice President for Magna's Power and Vision segment and CEO of the GFT joint venture. In 2019, he was appointed President Magna Electronics. On April 1, 2021, he transitioned to the role of Executive Vice President, Operational Efficiency, Magna International.

Prior to his career at Magna, Geissinger, who holds German and Canadian citizenship, held positions including Vice President Operations and Member of the Executive Board in Europe for ATS Automation Tooling Systems in Canada and CEO of Dematic GmbH.

Geissinger holds a degree in mechanical engineering with a focus on automation and quality management. He is also a board member of the German-Canadian Chamber of Commerce (AHK) and a certified Lean Six Sigma Black Belt.
