Forward. For all.

Creating the future begins with envisioning it. Then it's about using everything at our disposal to build towards it, relentlessly. We are always moving forward, but not just for ourselves. We do it for the industry, our customers, consumers, our employees, our shareholders, our communities and the planet. Our mission is to use our expertise to create a better world of mobility, responsibly. We do that by developing technologies, systems and concepts that make vehicles safer and cleaner for everyone.

Our Culture

At our heart is the entrepreneurial spirit of our people. Here, every employee is encouraged to create their own unique career path.

Complete Expertise

Our product portfolio and collective expertise is unmatched. This allows us to think like an automaker and find better ways forward with a systems-level approach.

New Mobility Enabler

With industry-leading technologies as well as design, engineering and complete vehicle assembly capabilities, we are supporting all aspects of mobility like no one else.

Our Sustainability Vision.

As we continue to move forward in our efforts to protect and preserve the planet, we are targeting carbon neutrality in our European operations by 2025 and global operations by 2030. The technologies, systems and concepts we are developing will continue to enable cleaner and safer mobility for everyone and everything. Creating a better world of mobility, responsibly.

Awareness. Unity. Empowerment.

Our diversity reflects the entrepreneurial and innovative minds that deliver new mobility solutions. "D&I is not just about recognizing the difference between us all, but accepting, embracing, and celebrating them as the true gifts they are intended to be. We can all be a positive force." Swamy Kotagiri, CEO, Magna International. At Magna, our technology is changing the game – and our people are changing the world.

Magna at a Glance

As of Q4 2021

Magna is more than one of the world's largest suppliers in the automotive space. We are a mobility technology company with a global, entrepreneurial-minded team of 158,000 employees and an organizational structure designed to innovate like a startup. With 65 years of expertise, and a systems approach to design, engineering and manufacturing that touches nearly every aspect of the vehicle, we are positioned to support advancing mobility in a transforming industry. Our global network includes 343 manufacturing operations and 91 product development, engineering and sales centres spanning 28 countries.
