

Liberec Awarded Best Plant by PSA Group

Our Liberec, Czech Republic division was recently awarded by PSA Group as a Best Plant at the 2016 PSA Supplier Awards, recognizing outstanding supplier performance in 2015. Liberec was one of 79 production facilities (representing approximately 5% of PSA's panel of suppliers) to receive the Best Plant Award in recognition of their manufacturing excellence. The award is based on achievement against a number of performance criteria including delivered quality, on-time delivery, logistics capability and customer service including technical and engineering support as well as problem resolution. This is the first time any Magna Exteriors division has received this award. Congratulations to the entire Liberec team!
