

Nascote Received General Motors Supplier Quality Excellence Award

In September, Nascote was awarded the General Motors Supplier Quality Excellence Award for 2015. Nascote earned the recognition award based on criteria that included: 100% On-time delivery, Quality Problem Reporting Resolution (PRR) per million parts shipped and a 100 point GM Bid List Score. The criteria also included, no Customer Satisfaction PRR, no Program Management PRR, no plant disruptions or spills, and no New Business Holds or Certified Shipment Statuses. Congratulations to the Nascote Employees!
