

Corporate Policy Magna Steyr

We define our mission as

the fulfillment of the needs and expectations of our stakeholders

(customers, employees, owners, suppliers and partners, society)
by means of customer-oriented, efficient and ethically compliant,
resource-friendly, sustainable and safe processes.

Our Guidelines

- At Magna Steyr we recognize that our employees are at the heart of our success
- We strive for customer-oriented perfection, innovation and global synergies
- We stand for ethical correctness and a safe product
- We are committed to compliance with the binding legal requirements, external regulations and customer requirements
- We are committed to safe working conditions, promoting the health of our employees and supporting them with demand-oriented programs
- We protect know-how, company and business secrets
- We use our resources responsibly to minimize the environmental impact
- We are committed to observing the Magna Employee Charter and practicing an open communication culture while complying with confidentiality requirements
- Every employee is responsible for quality and continuous improvement

The Magna Steyr Management Board
